ER'S COMPENSATION INSURANCE COVERAGE	

WORK

All applicants are required to submit evidence of Worker's Compensation Insurance Coverage or an exemption form as directed by PA ACT 44. Complete and attach the Worker's Compensation Insurance Coverage Worksheet.

Note: Contractor may fax or mail Workman's Compensation Insurance Coverage directly to Light-Heigel. Be sure to include the job name on the fax. Fax # (717) 896-9145

Worker's Compensation Insurance Coverage Worksheet attached.

CERTIFICATION AND/OR ACKNOWLEDGEMENT OF RESPONSIBILITY

Application for a permit shall be made by the *owner* or *lessee* of the building or structure, the *agent* of either, or by the *registered design professional* employed in connection with the proposed work.

The applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and PA Act 45 (Uniform Construction Code) and any additional approved building code requirements adopted by the Municipality.

The property owner and applicant assume the responsibility of locating all property lines, setback lines, easements, right-of-way, flood areas, etc.

Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel, or set aside any provisions of the codes or ordinances of the Municipality or any other governing body.

<u>Authorized Agent Acknowledgement</u> – I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as an authorized agent and agree to conform to all applicable regulations set forth by PA ACT 45.

Pennsylvania Act 45, Sections 403.45 & 403.46 requires that a final inspection be performed. <u>A building, structure or facility may not be used or occupied without a certificate of occupancy.</u>
Failure to arrange for your final inspection after the project is completed is a violation that will result in possible legal action from your municipality. This action may include a fine of not more than \$1,000.00 in costs for each day the violation exists (Section 903).

Failed/Additional inspections – Permit fees are calculated based on a set number of inspections. In the event that additional inspections are required due to failed inspections, not ready, lack of access, etc., the permit holder will be billed at the full rate for that type of inspection. A Certificate of Occupancy will not be issued until all fees have been paid.

I certify that the code administrator or the code administrator's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
